Enjoy work/life balance in well-paid Practice Nurse role at The Crane General Practice. Our Google Reviews say it all.

Part-time (1-2 days with potential to increase as we grow) in Clifton Hill/Fitzroy North
Pay range \$35 - \$45 per hour plus super depending on GP experience
Apply now – email you CV and cover letter to Dr Hwuei Lim at hwuei.lim@thecranegp.com.au

On offer is a rare opportunity during the challenging COVID-19 pandemic to be part of our progressive, caring team at The Crane General Practice in Clifton Hill. We dare to be different, and we are far from a mundane practice, so if you need that refreshing change – we would love to hear from you!

We offer a well-balanced and well-paid Practice Nurse position in a supportive environment where your growth is a key focus.

Our Practice is located in an old Victorian house along the leafy service road of Queens Parade with off-street car parks and public transport access. We are currently a team of 4 GPs, 2 Practice Nurses, 1 Practice Manager, 3 Receptionists and 1 Physiotherapist, with a plan to grow.

Our Practice uses streamlined systems, processes and resources, and optimize technology use to improve efficiency and reduce workload for our team. We offer flexible working hours to ensure our team maintains work-life balance. We are a team that enjoy what we do, and as such this maximises the potential of every team member to provide quality care to our patients.

We are currently seeking a part time (1-2 days per week) Practice Nurse to join our team, commencing as soon as possible. An ideal candidate should have the following pre-requisites and skills:

- AHPRA registration (mandatory)
- Completed full-course of COVID-19 vaccination, including booster if applicable (mandatory)
- Certificate in CPR/BLS
- Good command of English language (both oral & written)
- Immunisation & cold chain management (preferably Nurse Immuniser)
- Organisational and time management skills
- Attention to detail
- Triaging and performing vital observations on unwell patients, including paediatric population
- Maintaining clinical consumables stock
- Wound care
- Performing ECG
- Ear syringing (preferable but not essential)
- Assisting GPs in minor procedures
- Blood collection and IV cannulation (preferable)
- Proficient computer skills (minimum email, Microsoft Word & Excel; Best Practice software preferable but not essential)

Hourly pay rate ranges from \$35 - 45 + super based on Nurses Award (MA000034) and your level of General Practice experience/efficiency. A performance review at 2-3 months will guide further pay increase. We value staff who are a good fit to our clinic values and culture, and we will reward accordingly.

To apply, please submit a Cover letter and your CV to our Principal GP, Dr Hwuei Lim by email:
