

Locum GP cover, done properly.

Good pay, real autonomy, solid backup.

Experienced GP? Locum cover that pays well and respects your clinical independence, with a supportive team behind you if needed. Open to ongoing or repeat locum work – (or a long-term role, if that interests you).

Who we're looking for

Minimum 1 year of independent GP consulting experience, confident working autonomously

Delivers continuity and high-quality care, even as a locum

Collaborative and easy to work with – happy to loop in colleagues when useful, without needing hand-holding

Open to an ongoing or repeat locum relationship, or a long-term role if it's a great fit

What you get in return

Base rate **\$1,800/day** or 70% of billings, whichever is higher

Private billing, clear and fair structure

Strong nursing support (CDM, recalls, procedures)

Efficient systems that cut unpaid admin

Experienced admin who protect your time

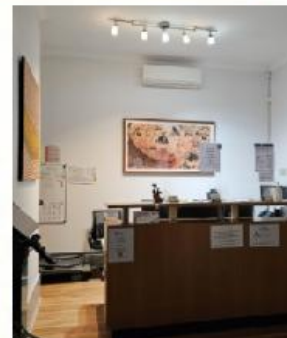

GP manual with local referral options, clear notes, and full IT/software support from day one – a genuine handover, not a cold start

A place you'll be glad to locum.

Our Vision

A team that knows you, cares for you, and walks with you – for life. Even locums feel this from day one.

Our Culture

We value Care, Consistency and Community – for patients and each other. No fragmented care, poor communication, or “you’re on your own.” Just a supportive team, clear communication, and a genuinely enjoyable workplace with room for laughter.

Get in touch – we'd love to hear from you.
