Payment is required at the end of your consultation. You may pay using EFTPOS debit card or credit card. Most health funds are accepted.

Clients referred for Physio under an EPC/ Primary Care Plan are able to access their rebate at the point of payment. Your Medicare rebate can be immediately paid back into your bank account if you pay with an EFTPOS debit card. Rebates cannot be paid into credit cards (including Visa & Mastercard Debit cards). However, we are able to send your claim through Medicare online claiming which will deposit your rebate into the bank account nominated for the Medicare card.
